

KAREM KARAVAN

POTE'S NOTES

As March 2020 comes to a close, it has been a month of distractions, stress, and of challenging times not only for Karem and it's Nobility, but also for our community, city, state and our nation. As all of you are aware, due to Covid-19, we have taken precautions by closing our building and all activities at Karem until further notice. We must continue to encourage all of our members and families to continue these precautionary measures for the health and safety of all.

As Potentate, I want each of you to know that I sincerely miss each Noble and his Lady and the many normal scheduled events at Karem. I can't wait until we can once again be able to be re-united and hopefully it will be very soon. Until then, let's all do our part in cooperation with the Mayor of Waco in his "shelter at home" directive. Continue to practice safe "social distance" and continue to pray that this directive doesn't last long.

As you remain at home, I encourage each of you to take time to reflect on your love for your family and friends. Allow time to be thankful for all the many blessings that we all share. Communicate with your loved ones and let them know your feelings towards them. Reach out and give assistance to those in need. I also would encourage each of you to take the time to study the word of God and begin reading and praying through it. Let this time of "shelter at home" become a time to renew and rejuvenate your love for family, friends, country as well as your walk with God.

As I close this Pote's Note's, I am reminded of our former President Franklin D. Roosevelt in his first inaugural address when he stated "that the only thing that we have to fear—is fear itself"! Nobles please find comfort today in Isaiah 43:1 "Don't fear, for I have redeemed you; I have called you by name; you are mine" or in Psalms 34:4 "I sought the Lord and he answered me and delivered me from all my fears". Remain positive in your thoughts and remain safe as you continue to practice "social distance" and "shelter at home."

May God bless you all!
Fraternally Yours,
Lynn Everett, Potentate

LITTLE BIT OF HISTORY - P.P. JAY BAKER

Dated June 1921. Karem outfitted our first
"Special Trail" for a trip to the Imperial Council
meeting to be held in Des Moines, Iowa. The next
year saw us send a train load of happy Nobles and
Ladies to San Francisco. We used both the old
Cotton Belt Railroad, Southern Pacific, Santa Fe,
and the MKT Railroad for our train trips.

Where hope and healing meet: Mother maintains positive outlook through daughter's years of treatment

She may not be a fast runner, but she can run. She may not be able to dunk a basketball, but she can play. Genesis' victories come from the things she can do, not the things she cannot. "We have to learn to achieve what we set our minds to," Genesis' mother, Judis, said. "If we set our minds to see our kids well and healthy, that's how it will be."

The petite 8-year-old has been a patient at Shriners Hospitals for Children — Houston since she was 2 months old. She was born with clubfoot and cleft palate – two very different conditions, treated under one roof.

Genesis' surgeries were always complex due to her small frame and struggle to gain weight. Her orthopaedic doctor and cleft palate doctor worked together, coordinating the timeline of her surgeries. "Dr. Blackwell was always very sure of himself and showed confidence before every surgery," Judis said. "That helped me remain positive. I trusted him."

There were plenty of ups and downs during Genesis' treatments. When it came to her clubfoot treatment, Judis said she understood all the challenges and mobility complications her daughter could face, but she chose to remain confident that Genesis would come out. "As parents, we have to have that strength and envision that you will see your kids prosper. Always keep in mind that anything is possible," Judis said.

After surgeries and continued treatment, Genesis is now very active. She loves riding her bike, going to the park and playing with other kids. "She is a happy and confident kid, she is always smiling," Judis said. "I credit so much of that to the great treatment she received at Shriners [Hospitals for Children]. It shows how much love they have for the kids and the care they provide."

Karem Classic Car Club's 2020 Car Show will be held August 29th. We are looking for *Noble Car Guys* who have the love of antique cars to join our club as new members and to help make our 2020 car show another successful event. If you have an interest in becoming a member (*even if you don't have a classic car*), please come to our next meeting.

**Imperial
Potentate
Jeffrey L.
Sowder**

Every year, the Imperial Potentate is asked to have a theme, or a slogan, that will define his year. That was easy. JUST ONE is a phrase I have come to believe in, and to live by. It's short, easy to remember and perfectly describes the path we need to take in membership development. I firmly believe in the power of one – the power of each person. Every person matters; every person can make a difference. In terms of our fraternity, each of us has a responsibility to increase membership, one by one. Multiply one by every noble (more than 200,000), and you quickly see what could be accomplished if every noble was determined to make a difference, and help bring JUST ONE new person into the fraternity – or help one person return to his fraternity. It would be easy to step back, consider our overall membership numbers, be overwhelmed, and lose heart. Or, we can each decide to do our part, work as hard as we can to promote our fraternity, and be, one by one, a powerful force for growth and change. I hope you believe that *you* can make a difference – and that *you* actively join this effort. For more information on the JUST ONE program, please contact your membership chairman or the office of membership development. I also believe in the power of communication. This year, we will make every effort to keep everyone informed and up to date. This is no easy task in an organization with members literally around the globe. You can make this a bit less challenging by making sure your contact information is kept current and correct in WebFez.

It is my honor and privilege to serve as your Imperial Potentate; thank you for your trust, and for this amazing opportunity. Cheryl and I are committed to doing everything we can – every day – to strengthen our amazing fraternity and philanthropy. My goal is to leave the fraternity a little better than I found it, and to make sure our health care system is in a position of strength and prepared for its second 100 years of service.

RECOGNITION FOR JUST ONE SUCCESS

At Imperial Session, we saw the unveiling of new Imperial Potentate Jeff Sowder's "Just One" campaign to increase Shriner membership. A simple but powerful idea drives this initiative: If every current Shriner resolves to recruit or restore "just one" noble to his temple, the ranks of our brotherhood will swell tremendously.

In order to build enthusiasm for the Just One initiative and keep it going, we are instituting a multi-level program for recognizing and rewarding top-line signers for their successful efforts bringing in new members or restoring suspended members. These are:

- Level 1** – Upon creation or restoration of one member, the top-line signer will receive a postcard and Just One pin from Imperial Potentate Jeff Sowder.
- Level 2** – Upon bringing in a two members, the top-line signer will be listed in Shriner Magazine.
- Level 3** – With three new creations or restorations, the top-line signer will receive an award certificate and a letter of appreciation from Imperial Sir Sowder.
- Level 4** – After five creations or restorations, the top-line signer will receive a personal phone call from the Imperial Potentate.
- Level 5** – Top-line signers responsible for 10 additional Shriner brothers will receive a special invitation to attend a Just One VIP reception with the Imperial Divan at the 2020 Imperial Session.

In addition to these points of recognition, we strongly encourage local temples to find other ways of honoring your members who embrace the challenge of helping grow our membership.

As a record-keeping aid, Just One referral cards were presented at Imperial Session, and more will be made available for temples to share with their members. If your temple has members using the cards, you will need to assign someone to collect them and enter the information on WebFez (<https://webfez.shrinenet.org/nextstep>).

If you have any questions about the Just One program, please contact the Membership Development Department by email at membership@shrinenet.org or call (813) 281-0300.
